

# illig® NEWS

INVITATION to the 16<sup>th</sup> ILLIG Open House | June 27/28, 2017, 09:00 a.m.

Dear Thermoforming Specialists,

At the 16<sup>th</sup> **Open House** we will provide new **impetus** for a profitable future. We will demonstrate that **Cleantivity®** (cleanliness and productivity) is an instrument for you to utilize the imminent and required processes of change as **excellent opportunity**. Let our experts inspire you and profit from their interesting and **practice-based presentations**. They will illustrate current topics, such as ILLIG's new brand of **packaging development** or IML-T decoration through to product handling.

Among the **live demonstrations** this time you will find **Cleantivity®** automatic roll-fed machines: The state-of-the-art IC-RDK 54 and IC-RDK 80 automatic roll-fed machines with the new PHF 80 **product handling** are special exhibits when it comes to **high flexibility** and **cost-effective molds** with **constant machine availability**. Some thermoforming machines suitable for cup manufacturing will also be showcased. Highlight of the presentations will be an aseptic **form, fill and seal line with IML-T decoration technology**, the FSL 48.

On one single day we will demonstrate to you in a concise manner how to set the stage for a profitable **future** already now by implementing **innovative thermoforming systems**. Experts will be available to answer your questions. Benefit from an Open House packed with technical information for your **success!**

**REGISTRATION**

---

Join us at the conclusion of the Open House for a relaxing evening of culinary delight in a comfortable setting (the event starts at 06:00 p.m.).

We look forward to welcoming you and to the entertaining conversations!

**PS:** Colleagues of yours who are interested are of course also welcome. Feel free to forward this invitation to them. Thank you.
